STUDENT AFFAIRS &
ALUMNI DEPARTMENT

KNOWLEDGE | SINCERITY | EXCELLENCE

BACKGROUND OF ALUMNI DEVELOPMENT UNIT, (HEPA) DEPARTMENT

Alumni Development Unit in Student Affairs & Alumni (HEPA - Hal Ehwal Pelajar & Alumni) Department, UniMAP was established at the end of 2006. In the beginning of the establishment, this unit was linked with the Debate Unit. From June 2011, the unit then was linked with the Volunteering Unit. Starting from July 1st, 2015 the appointment of the Deputy Dean (Alumni Development) was enacted in order to manage the Alumni Development Unit in UniMAP.

Generally, UniMAP has produced 111 Alumni in conjunction with the UniMAP First Convocation Ceremony which was held in 2006. As for the Undergraduate's program, a total of 59 Alumni have graduated from School of Microelectronic Engineering and 48 Alumni from School of Computer & Communication Engineering. As for the Postgraduate's program, 4 Alumni have successfully graduated from School of Microelectronic Engineering, School of Computer & Communication Engineering, School of Materials Engineering and School of Mechatronic Engineering.

We hope that the spirit of Alumni can be inculcated from the beginning of their entrance into UniMAP. This is an initiative to ensure the acculturation of Alumni will sustain and they're able to play their roles effectively. Acculturation of the Alumni and the ongoing programs held are hope to cultivate love for 'alma mater'.

FUNCTIONS OF ALUMNI DEVELOPMENT UNIT, (HEPA) DEPARTMENT

Coordinating and updating the Alumni database through UniMAP e-Alumni Information System.

Planning, coordinating and implementing Alumni programs (semi formal/formal).

Monitoring the information updates to Alumni through Alumni social media.

Planning, coordinating and publishing UniMAP Alumni magazines.

Figuring out effective methods to implement the spirit of love towards the university among Future Alumni, Young Alumni and Mature Alumni.

MISSION

A unit which focuses on the potential of Alumni development in order to meet the university's aspiration

As a reference for Alumni networking by organizing various activities
